ORDER

States/ Union Territories require SKO from time to time on emergency basis or for special occasions. To expedite this process, it has now been decided with the approval of the Competent Authority that each State/ Union Territory will be able to draw an allocation of one month's quota of PDS Kerosene at non-subsidized rates (inclusive of excise/custom duty/taxes and excluding under/recovery/fiscal subsidy) during each Financial Year for special needs such as natural calamities, religious functions, fisheries, various 'yatras', 'melas' etc. This allocation will lapse at the end of that particular Financial Year. This SKO quota can be drawn by States/UTs in installments without referring the matter to Ministry of Petroleum & Natural Gas, Government of India. The State Level Coordinator will be empowered to release this Kerosene on the request from the concerned State/UT.

2. States/UTs may seek further additional allocation of non-subsidized SKO from this Ministry after exhausting this one month's quota.

3. States/UTs to ensure that this allocation is not availed for routine purposes for which separate guidelines on use of non-PDS Kerosene exist vide MOP&NG letter NO.P-21013/1/2003-Dist. dated 06.04.2004.

4. PPAC will issue OMC-wise distribution of the above one month quota of PDS non-subsidized SKO allocation.
